Summary

Product Designer and Frontend Developer with 5+ years of experience designing and building SaaS platforms, enterprise dashboards, fintech products, multilingual WordPress websites, and responsive web applications. Experienced in UX research, product strategy, design systems, Figma, React, Next.js, TypeScript, and WordPress development. Passionate about solving complex problems through user-centered design and creating scalable digital products that improve business outcomes and user experiences.

Experience

Senior Product Designer / Frontend Developer

Nov 2022 - Present

Savo Technology Pvt. Ltd. | Indore

- Led end-to-end UX/UI design for SaaS products and enterprise applications.
- Conducted user research, usability testing, and competitor analysis.
- Designed wireframes, prototypes, and scalable design systems in Figma.
- Collaborated with cross-functional teams in Agile environments.
- Developed responsive interfaces with React, Next.js, and WordPress.
- Built multilingual websites using Elementor and WPML.

UI/UX & Web Designer

Jun 2021 - Nov 2022

Votive Technologies Pvt. Ltd. | Indore

- Designed responsive web and mobile interfaces for domestic and international clients.
- Created user flows, wireframes, prototypes, and high-fidelity UI designs.
- Collaborated with developers to deliver pixel-perfect, responsive interfaces.
- Built and customized WordPress websites using Elementor.
- Gathered client requirements and enhanced user experience through usability improvements.

Web Design Trainee

Jun 2020 - Jun 2021

Mind Info Services | Indore

- Learned foundational web technologies including HTML5 and CSS3.
- Assisted in the design and layout of basic web pages.
- Gained hands-on experience with basic design tools and principles.
- Shadowed senior designers to understand professional workflow and collaboration.
