SUMMARY

Product Designer and Frontend Developer with 5+ years of experience creating user-centered digital products, SaaS platforms, and responsive web applications. Skilled in UX research, UI design, Figma, React, Next.js, and WordPress, focused on improving usability and delivering impactful digital experiences.

EXPERIENCE

Savo Technology Pvt. Ltd. 11/2022 – Present | Indore

Senior Product Designer / Frontend Developer

- Led end-to-end UI/UX design for SaaS and enterprise applications.
- Conducted user research, usability testing, and competitor analysis.
- Created wireframes, prototypes, and scalable design systems in Figma.
- Collaborated with cross-functional teams in Agile environments.
- Developed responsive interfaces using React, Next.js, and WordPress.
- Built multilingual websites using Elementor and WPML.

Votive Technologies Pvt. Ltd., UI/UX & Web Designer 06/2021 – 11/2022 | Indore

- Designed responsive interfaces for domestic and international clients.
- Created user flows, wireframes, prototypes, and high-fidelity UI designs.
- Collaborated with developers to deliver pixel-perfect, responsive experiences.
- Built and customized WordPress websites using Elementor.
- Gathered client requirements and improved usability through user-design.

Mind Info Services, Web Design Trainee 06/2020 – 06/2021 | Indore

- Learned HTML5 and CSS3 fundamentals for web development.
- Assisted in designing and structuring basic web pages.
- Gained practical experience with design tools and UI principles.
- Collaborated with senior designers to understand professional workflows.
